To Whom it May Concern,

The American Taekwondo Association (ATA) is a worldwide organization that brings together students of all ages from all walks of life to teach them the art and discipline of Songahm Taekwondo. Through this martial art, we provide and promote self-defense, exercise, self-discipline, confidence, respect and service to enrich our students' lives that in turn bring these values into their communities. Daigle's ATA provides this service to Lafayette. We also host a tournament in February that brings students of the ATA from around the country. We give our Lafayette students an opportunity to stay in their home town to be able to compete with many different people. This means they do not have to travel to get quality competition and enjoy their sport. This also provides great revenue for our community by attracting many people to a quality tournament. Hundreds of people come to participate and to watch the entertainment. We have had competitors from Cincinnati, Texas, Florida, California, Arkansas, New York, and other states. They also want to enjoy what Lafayette has to offer. Since we host such a large event in our community, we need a lot of support from our community. You will help to promote healthy competition, healthy living and good values. The money will go towards medals, sanctioning of the tournament, cost of facility, etc. Instructors and Black Belts from many different schools volunteer their entire day to host the tournament, judge the competition, keep score and award honors. They often get only a few minutes to eat. We try to provide them with quality food to nourish them and treat them with Cajun food, throughout the day in return for their services.

In return for the Sponsorship, you will get advertisement as stated on the sponsorship form. The student will receive prizes such as registration into the competition for FREE and much more.

Thanking you in advance, from your Tournament Host

Master Gerald Daigle
